Winter Season Wrap Up

As we draw the curtain on the 2024 winter season, I want to extend a warm thank you to everyone who has been part of this incredible journey. It's been a season filled with dedication, teamwork, and memorable moments both on and off the court.

A Special Thank You to Our Sponsors

We are incredibly grateful to our sponsors this year, whose generous support has been instrumental in making this season a success. Your commitment to our club has not only helped us thrive but has also strengthened our community.

Looking Forward to the New 2025 Season

Whether you're a seasoned player or new to netball, we invite you to join our vibrant community and be part of what promises to be another fantastic year.

Registrations for next season are now available via PlayHQ.

Be sure to follow us on our social media channels for updates.

We can't wait to see you all back on the court, ready to take on new challenges and make even more memories.

Teams and Grading 2025

Which Team Can Your Child Play in 2025?

In the past, when the club was smaller and some teams were short on numbers, kids often played up in an older age group. Next year, everyone will go into age-appropriate brackets, and we permit 'playing up' only in special circumstances.

In 2025:

Age Division	2016 or later	2014-2015	2012-13	2010-11	2008-09
Birth Year	NetSetGo	11 & Under	13 & Under	15 & Under	17 & Under

Age brackets are determined by a child's age at the *end of the calendar year*.

It's tough, but TMNC aims to achieve a healthy balance between many competing factors that can guide who goes on which team:

- Grouping kids of similar skill, experience and developmental levels (starting at 11 & Under - we don't grade in Net Set Go)
- Matching players to coaches
- Logistics - who can train/play when & where
- Team Dynamics - no winding up with a team full of defenders

It's a massive juggling act and consumes enormous amounts of our volunteers' time. We greatly appreciate families' patience and understanding.

ANNOUNCEMENT:

EMILIE BARKER NAMED WESTFIELD LOCAL HERO FINALIST!

FINALIST 2024
AWARDED A
\$5,000 GRANT

Tuesday 15th October 2024

We are thrilled to announce that Co Founder, Umpire & Open Women's Player, Emilie Barker, has been selected as a finalist for the Westfield Local Hero award! This recognition highlights her unwavering commitment to our community and the positive impact she has made in the lives of so many.

We also extend our gratitude to Westfield for their generosity in providing a \$5,000 grant, which will be instrumental in enhancing our netball club. This funding will help us purchase new equipment, covering the costs of registrations for First Nations girls, support players training, coaching, umpiring and development programs, and foster a greater sense of community among our players.

A heartfelt thank you goes out to all members of our community who voted and showed their support for Emilie. Your participation is what makes this recognition possible and reflects the strength of our united spirit.

We would also like to extend our gratitude to Westfield for their generosity in supporting this initiative and celebrating the local heroes among us. Together, we continue to foster a community where kindness and dedication thrive.

Congratulations, Emilie! We're proud to stand behind you as you represent our community in this deserving honor.
